

**March 19, 2013**  
**Port of Newport—City of Newport Joint Public Forum**

Subject: Port International Terminal and Log Export Activities  
Location: Oregon Coast Community College, Room 140  
Time: 6:00 PM

**Summary:**

- The Port of Newport and the City of Newport will conduct a public forum on the proposal to re-establish log handling and exporting from Port of Newport facilities. This forum is not intended to serve as a Public Hearing.
- The forum will be attended by representatives from the Port of Newport and the Newport City Council, chaired by Port Commissioner JoAnn Barton, and facilitated by Mr. John Baker.
- A panel of professionals will provide overview information from their respective fields and take questions from the audience. The panel will consist of representatives from the marine science industry, ODOT, DEQ, the Oregon Forest Resources Institute, Teevin Brothers and Hancock Forest Products, Port and City staff, and a representative of the Port of Newport—City of Newport Joint Pedestrian/Vehicle Safety Plan Task Force.
- Question cards will be made available to the audience before and after panel presentations. The facilitator will collect question cards, adjust for duplicate questions, and distribute question cards to the appropriate panel member or City/Port representative.
